

Hot Chocolate Hustle

- FCCLA worked with the community library to help put together their annual hot chocolate hustle.
- This event helps raise money for the library which goes to things like the summer library program and beautifying the community.
- The turnout was less than last year but it was still a nice day with a great amount of community support!

Senior Capstone

Our seniors wrapped up their internships at their chosen establishments

Some quotes about the senior's experiences:

"I Loved it! I was able to oversee welfare checks, animal bite cases, and let racoons go into the wild." Brianna Doshal (Marshfield Police Department Ordinance Officer)

"It was phenomenal! I learned so much that will help me with my future career in the medical field." Myles Gray (Three Oaks Health Services)

"I enjoyed it. It felt like a home like environment. I liked talking to residence and helping them with their daily activities. Working there gave me valuable insight of the work of a caregiver that will be helpful in my future." Brynn Friday (Delaney Home)
