RECRUITMENT AND HIRING OF DISTRICT EMPLOYEES

~~The School District of Pittsville's Board of Education is committed to securing the best personnel available for all professional positions. While the Board cannot waive its responsibility to employ professional staff, it assigns the responsibility for staff member recruitment to the administrative staff. It is the responsibility of the administrative staff to recruit and recommend the best available candidate for professional staff positions. Professional staff shall be contracted by the Board of Education upon recommendation of the District Administrator.~~

~~Persons recommended for employment shall meet the qualifications established by law for the type of positions for which the recommendation is made and be able to perform the essential functions of the job. Candidates' competencies, credentials, and references shall be verified prior to a recommendation to the Board. It is the policy of the Board that the best qualified candidate available shall be offered the position.~~

~~The Board or its designated personnel shall be involved in the recruitment, screening, and interviewing of candidates for full-time administrative positions.~~

~~Selection of professional staff shall be made without regard to the candidate's age, race, sex, sexual orientation, religion, pregnancy, marital status, creed, political affiliation, national origin, ancestry, color, physical, mental, emotional, or learning disability or handicap, arrest or conviction record, membership in the national guard, state defense force or other reserve component of the military forces of Wisconsin or the United States, or any other reasons prohibited by state or federal law.~~

~~When a vacancy occurs which extends the recruitment period beyond the beginning of school or the starting date of the position, a certified substitute teacher may be employed until the selection process is completed.~~

~~In the case of summer school and other temporary contract professional staff hiring, some of the provisions set forth above may be waived by the District Administrator or designee.~~

All of the District's recruitment, selection, and hiring practices and procedures are subject to and guided by the District's commitment to nondiscrimination and equal opportunity in employment, as further identified in related Board policies. The primary goals of these processes shall be to attract and identify a diverse range of highly qualified candidates who, if hired, will demonstrate a high degree of commitment to the District's mission, to the District's goals, and to their assigned duties and responsibilities, and who will also make positive personal and professional contributions to the District.

The recruitment and hiring for all positions of employment in the District, except for the position of District Administrator, shall be conducted in accordance with provisions of this policy.

The District Administrator shall ensure that the District's core practices and procedures surrounding recruitment, selection, and hiring are well-defined and implemented consistently. Different core practices and procedures may be defined for different types of positions.

The District Administrator shall have the power, at his/her discretion, to make binding offers of employment to fill vacancies in Board-approved positions, except for (1) positions which require the employee to hold an individual employment contract; and (2) any supervisory position. Where the School Board will make the final decision to

approve, or not approve, the hiring of any employee, any preliminary offer of employment or any offer of a contract shall be contingent on obtaining Board approval, and the contingent offer shall be revocable in the event the Board does not approve the employment of the individual.

If the District Administrator determines there is an urgent need to fill a position or that another exceptional and good cause exists, standard practices may be modified for all potential candidates by, e.g., shortening the standard application period, eliminating multiple interview levels, or considering interim appointments. However, under no circumstances shall an employee be hired without:

1. Participating in a personal interview;
2. Completing required physical examinations with satisfactory results, or expressly conditioning the offer of employment or offer of contract on such satisfactory completion;
3. For all positions, either of the following:
 - a. The District has completed licensure (where applicable), reference, and criminal background checks, and determined that the results of said checks are acceptable before the offer of employment is made; or
 - b. Any preliminary offer of employment is made expressly contingent upon completion of licensure (where applicable) confirmation, reference checks, and criminal background checks, the results of which the District, in its discretion, determines are acceptable; and
4. Where the Board will make the final decision to hire an employee, including the hiring of all employees who are required to hold an individual contract and the hiring for all positions that have supervisory duties, any offer of employment shall either:
 - a. be made following Board approval of the hiring decision and the terms of any employment contract; or
 - b. be made in a manner that is contingent upon a subsequent Board decision to approve the hiring decision and the terms of any employment contract.

If, in the judgment of the District Administrator in consultation with the vacant position's direct supervisor, the administration fills or recommends filling a position with an internal candidate without seeking external candidates, the administration shall (1) inform the Board when any non-contractual and non-supervisory position was filled in this manner; (2) inform the Board when any contractual, non-administrative position was filled in this manner, provided that the change in position or assignment does not necessitate an amendment to the employee's current contract; or (3) in connection with any other contractual or supervisory position, present this recommendation and the supporting rationale to the Board for approval. The requirements of this paragraph do not apply to routine changes in assigned duties or work schedules, or to reassignments or lateral transfers between materially similar positions.

Additional Provisions Applicable to Most Contracted Positions

Professional staff who are required to be licensed or certified by law must provide the District with a copy of the current license or certificate. Such employees are expected to remain licensed in good standing, including knowing the expiration date of their license/certification and meeting the requirements for maintenance/renewal in a timely manner. A contract with any person not legally authorized to hold the licensed position identified in his/her contract shall be (1) deemed materially breached by the individual holding the contract; and/or (2) void by operation of law. All teaching contracts shall terminate if, and when, the authority to teach terminates.

To the extent required by state law, teachers and administrators may be employed in or dismissed from their contracted positions only by a majority vote of the full membership of the Board. To the extent prohibited by state law, the District shall not enter into a contract of employment with any teacher or administrator for any period of time that the individual is then under a contract of employment with another board.
