Our Vision: Expecting Excellence and Innovation, Honoring Legacy, and Embracing Partnerships.

Our Mission: Expecting Excellence and Integrity from all, developing Innovative students, strengthened through Partnerships with parents and the community.

I recently met with Sara Schueller from ODC in Marshfield. She provided information on the school transition services that they provide for youth with disabilities that are designed around each student's needs and interests. They help guide students through career exploration, job shadowing, self-advocacy training, job preparation and soft skills training which works on attitude, communication, planning and organizing, critical thinking, interpersonal skills, teamwork, and etiquette.

It is my pleasure to inform you that one of our students has been selected to participate in the Project SEARCH - Marshfield program for the 2021-2022 school year. Project SEARCH is a business led collaboration that enables young adults with disabilities to gain and maintain employment through training and career exploration.
