SPECIAL BOARD MEETINGS

172

~~The Clerk, or his/her designee, shall ensure that every member of the Board receives written notice of the time and place of any special meeting at least 24 hours prior to the meeting. The written notice may be hand delivered, delivered to the Board member's usual residence, or mailed by 1st class mail to the Board member at his/her usual residence in time to arrive at least 24 hours prior to the meeting. Such Board member notification of special meetings may be waived if all members are present at and consent to the special meeting being called, or if each school board member has consented in writing, in advance, to the holding of the meeting even though he/she does not attend.~~

~~Public notice shall be given for special Board meetings in accordance with the Open Meetings Law and in accordance with Board policy. No business shall be transacted at a special Board meeting other than that specified in the notice of the meeting.~~

Requesting, Calling, and Holding a Special Meeting

A special meeting of the School Board is a meeting initiated by an individual Board member as further provided under state law and this policy.

1. A special meeting shall be held upon the written request of any Board member. The request shall be filed with the Board Clerk or, in the Clerk's absence, the Board President.
 - a. Such a request may be filed directly with such officer or at the Office of the District Administrator with a copy or other reasonable notification of the request directed to such officer.
 - b. The Board member requesting the meeting is responsible for confirming that the request has been received as intended and for adequately identifying the subject matter he/she is proposing for the meeting.
2. The Board officer who receives the written request, or an authorized designee acting on behalf of the officer, shall establish a reasonable date, time, and place for the special meeting **and** issue notice of the date, time, and place of the meeting to each Board member.
 - a. Notice to the members of the Board shall be given in a manner that is likely to give notice to each Board member. Normally, and in the absence of any special circumstances, it shall be sufficient to send an electronic mail message containing the relevant information to the primary email address that each Board member uses for Board-related communications. Although a Board member's actual and timely receipt of notice of the relevant information regarding a special meeting shall also be considered sufficient notice, this paragraph does not require or guarantee a Board member's actual receipt of the notice that is issued.
 - b. Except as otherwise permitted by state law, notice to the members of the Board shall be issued so that it arrives, or could reasonably be received, at least 24 hours prior to the start of the meeting.
 - c. In lieu of providing adequate prior notice to all Board members, a special meeting may still be held with the consent of **all** Board members, as further provided in state law.

Public Notice and Minutes of Special Meetings

Public notice of special Board meetings, including but not limited to the subject matter of the meeting, shall be given in accordance with the Open Meetings Law and Board policy.

The Board President and Clerk shall ensure that minutes of each Board meeting are recorded, approved, signed, and filed in the Board records. To the extent required by law, the proceedings of Board meetings shall be publicly disseminated within 45 days after the meeting.
