1. Student and Staff Learning:

- a. Renaissance and PPT - This is an exciting time to be trying the Renaissance product. Renaissance has launched their STAR math and reading assessments in Spanish, and fortuitously, we have a new English Language learner at the High School. This tool helped us better understand the needs of our EL student, who hails from Nicaragua. The rest of our 9th through 11th grade students will be taking the assessment this week. I am offering a lunch to the top three classes that show the most growth in the next nine weeks.
- b. New Learning Spaces:
 - i. ELA classroom - 32 total flexible seating spaces
 - ii. FACS classroom - 6 tables, 20 high bar chairs, safer and maneuverable
 - iii. Multi-purpose room - for Mindfulness, Fitness, group fitness, sensory, or fundraising
