Monthly Custodial / Maintenance Report September 2019 Pittsville School District

Personnel Information

60 hours of vacation were used in the month of August.

Training Conducted

Blood Borne Pathogen training was completed in the month of August.

Inspections

- Monthly fire extinguisher inspections were completed.
- Completed weekly eyewash station inspections.
- Monthly boiler water loop testing was completed.
- Cooling Tower water testing was completed.

Progress on Projects

- Painting of the primary hallway was completed.
- New TV menu boards were installed in elementary and high school cafeterias.
- New tables arrived and were assembled in room 507 in the high school.
- The new telemeters for the natural gas co-op were installed in August. We will start using these in November when we go online with WE2C. Districts using this service saved on average around thirty five percent on their natural gas bills for last year.
- Summer cleaning was completed.

Comments

My staff and I would like to welcome everyone back for another great year!

Sincerely,
Dan Giles
