

*Pittsville School District's Vision and Mission:*

**Vision:**

*Expecting Excellence and Innovation, Honoring Legacy, and Embracing Partnerships*

**Mission:**

*Expecting Excellence and Integrity from all, developing Innovative students, strengthened through Partnerships with parents and the community.*

1. Student and Staff Learning:

- a. The Renaissance STAR Math and Reading assessments were administered during the first week of Term 2 for grades 9, 10, 11. We will be looking into student growth in those areas over the last 9 weeks.
- b. The ACT does offer vouchers for those students who are identified in the equity group using the free and reduced lunch program. These students can take the ACT two times using these vouchers.
- c. Dr. Porter attended an ACT Workshop on Tuesday. There are many free resources available to students and the school, such as the ACT Academy. This resource will be implemented with the junior class in an effort to focus on those specific areas where they are showing a need to grow in Math, Reading, English or Science.

2. Innovation and Recognition:

- a. The Ag Science department has an opportunity to bring a cat-spay and neuter program to the school. The students from Lindsay Meissner's Vet and Small Animal clinic participated on Wednesday.
- b. The Crystal Apple Teacher winners will be notified on Wednesday, Nov 13.
