**Director of Child Care Center Board Report**  
**August 12, 2019**

**Open Tours** - On August 6th, the community was welcomed to an open tour of our new full-day center. We had a total of 44 people who were in attendance. We received a ton of positive feedback on our infant/toddler and preschool classrooms and everyone was excited to check out our new child care playground. We sent home 6 new enrollment packets.

**Full-Day Child Care Enrollment** - We have 15 children who are enrolled for child care program come fall. Six for infant/toddler area, four for preschool and five that are new 4k students.

**Revised 2 Year License** - Friday, August 9th is our licensing visit for the full-day center portion of PCCC.

**School Age Summer Care Enrollment** - We have 11 summer children enrolled for our school age summer care program. The kids have been having fun outside and have been able to test out our new school aged playground.
