The Transfer of Service Exemption (Wis. Stat. §. 121.91(4)(a)3) provides that a school district which assumes responsibility for a program or service from another governmental unit may request and be granted an exemption to the district revenue limit equal to the increased cost due to that program or service. "Part A" has been completed.

We are currently in the process of reviewing our special education records for compliance. Once that is completed, the results will be reviewed and discussed to ensure errors do not occur in the future.
