Dear Parents and Guardians,

Late yesterday afternoon, the Wisconsin Supreme Court struck down the “Safer At Home Order” which had the effect of closing all schools and businesses identified as non-essential. This morning, school districts received information from the Department of Public Instruction and legal counsel indicating that the ruling of the Supreme Court specifically does not apply to the order to close school's through June 30, 2020.

As a result there is no change in the operation of the district at this time. All distance learning and year end planning remains the same including high school graduation. The last day of school for our students is Friday, May 22. This is also the last day of our drive through meal service. Onsite full day summer school will be offered July 6 through July 23 Monday through Thursday. Additional information may be found at pittsville.k12.wi.us. Transportation, breakfast, and lunch will be provided free of charge.

Last, I want to commend your efforts to stay engaged, while providing encouragement for our children in a situation which is out of our control. It is my sincere hope this time will serve to make all of us stronger and better people for the experience. Thank you for all the support you have provided your child/children and school staff.

Our best for their best.

R. Figueroa
Superintendent
Pittsville School District
