Admission

Students who attend private schools or are home-schooled within the School District of Pittsville are eligible for enrollment in up to two courses offered by the Public Schools if there is sufficient room to allow adding additional students in those courses. Students who attend private schools or are home-schooled are not eligible to participate in 9-12 co-curricular activities. Students must be enrolled full-time in the Pittsville School District in order to participate in co-curricular activities at the high school level.
