

**SCHOOL DISTRICT OF PITTSVILLE  
BOARD POLICY**

## **INSTRUCTION**

### **EXTRACURRICULAR ACTIVITIES**

#### **INTERSCHOLASTIC ATHLETICS, NONDISCRIMINATION**

**371.2**

The athletic program in the School District is recognized as a vital part of the total educational program. The Board feels an athletic program, properly operated, provides experience in daily human relations which cannot be found in any other educational contact.

The athletic program should be designed to give many students an opportunity to develop their interests, attitudes, and skills for future years without damaging their academic development. Sports competition should provide a healthful, enjoyable experience whereby the emotional, mental, social, and physical development of young men and women can be fully achieved. Sportsmanship should always be of prime importance.

Students athletes must comply with all rules and regulations established by the WIAA and the Board of Education.

The School District shall not discriminate in student participation in athletic programs or activities, standards and rules of behavior, disciplinary actions or facilities usage on the basis of sex, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional, or learning disability.
