STAFF DRESS

522.8

District employees are judged not only by their service but also by their appearance. It is the District's expectation that every employee's appearance is consistent with the high standards we set forth for ourselves. Employees are expected to present a well-groomed, professional appearance and to practice good personal hygiene.

The District expects all employees to be neat and clean and to wear appropriate dress for work that is in good taste and suitable for the job at hand. The District will not tolerate dress or attire from school employees that the principal or supervisor considers disruptive, inappropriate, or which adversely affects the educational atmosphere.

The administration shall be empowered under this policy to specify further requirements for staff dress (e.g., more detailed information on what constitutes appropriate clothing for different positions). Unless appropriate for the job at hand, wearing jeans will be reserved for days when students are not present or school-wide special events that are pre-approved by the building administrator.
