EXPLANATION

The referendum election ballot will ask District electors to vote “yes” or “no” on the referendum election question set forth above.

A “yes” vote on the referendum question would authorize the School District of Pittsville’s annual budget to include \$1,100,000 of revenue in 2024-25; \$1,400,000 of revenue in 2025-26; \$1,700,000 of revenue in 2026-27; and \$1,820,000 of revenue in 2027-28 in excess of the state’s revenue limit, for each of the 2024-25, 2025-26, 2026-27 and 2027-28 school years. The District would be authorized to use such revenue to finance the costs of general operations, including maintaining the educational programs of the District as well as facility maintenance/non-capital items.

A “no” vote on the referendum would deny the School District of Pittsville authority to include in the annual budget \$1,100,000 of revenue in 2024-25; \$1,400,000 of revenue in 2025-26; \$1,700,000 of revenue in 2026-27; and \$1,820,000 of revenue in 2027-28 in excess of the state’s revenue limit, in excess of the state’s revenue limit to finance the costs of general operations, including maintaining the educational programs of the District as well as facility maintenance/non-capital items.

In the event a majority of the electors voting on the referendum question vote “yes”, the District will be authorized to exceed the state’s revenue limit by \$1,100,000 of revenue in 2024-25; \$1,400,000 of revenue in 2025-26; \$1,700,000 of revenue in 2026-27; and \$1,820,000 of revenue in 2027-28; if a majority vote “no” on the referendum question, the District will not be so authorized.
