Our Mission: Expecting Excellence and Integrity from all, developing Innovative students, strengthened through Partnerships with parents and the community.

The Transfer of Service Exemption (Wis. Stat. §. 121.91(4)(a)3) provides that a school district which assumes responsibility for a program or service from another governmental unit may request and be granted an exemption to the district revenue limit equal to the increased cost due to that program or service. "Part A" and "Part B" have been completed.

I have been attending weekly regional service network meetings with CESA 5 to discuss best practices for our return to school for students with individualized education plans (IEPs), primary planning considerations, and legal updates.
