Student and Staff Notable Learning

Ned's Kindness Adventure

On Monday, April 8th, Ned's Kindness Adventure came to PES to share the message that kindness is the key to making friends and respecting others. Grades 4K-8 attended and some of our students even made it on stage. Because this is a Pay-it-Forward Assembly, we hosted a Kindness Sale for 5 days after the event. Students were able to purchase hand crafted items from Kenya to help the people of Kenya get clean water. Our school raised approximately \$1200.

Some of the younger classes integrated writing and drawing into creating notes and projects of appreciation for me to celebrate School Principal's Day. Students hand delivered thank you notes and other things they made for me. It is appreciated that teachers show their students the importance of recognizing other staff members in the school.
