Special Education and Pupil Services Monthly School Board Report

Matthew Sherwood

Director of Special Education and Pupil Services

June 10, 2019

Our Vision: Expecting Excellence and Innovation, Honoring Legacy, and Embracing Partnerships.

Our Mission: Expecting Excellence and Integrity from all, developing Innovative students, strengthened through Partnerships with parents and the community.

Indicator 8 is measured by the Family Engagement Survey. Parents taking the survey online will be directed to either a 6-21-year-old school age survey or a 3-5-year-old preschool survey. Parents also had the opportunity to complete a paper version of the survey or do so via phone. Each survey had 22 questions to help improve services and results for children with disabilities. We met the DPI's predetermined total and we will not need to implement the family engagement survey next school year.

Section 1111 (g) (2) (J) of the Every Student Succeeds Act (ESSA) requires that the State educational agency will ensure that all paraprofessionals working in a program supported with funds under Title I, Part A meet applicable State certification requirements. During our August inservice we will be providing our paraprofessionals with an eLearning opportunity to meet state requirements.
