BOARD ORGANIZATIONAL MEETING

174

The Pittsville School Board will organize annually by election of Board officers at a School Board meeting held on or within 30 days after the fourth Monday in April.

The officers of the Board will be president, vice-president, clerk, and treasurer, as required by state law. Nominations for Board offices will be made by Board members. Election will be by voice vote, roll call vote, or by written ballot, if requested by any Board member. A nominee must receive a majority vote of Board members present for election to the office. Should no nominee receive a majority vote, the election will be declared null and void. Then nominations will again be taken and the vote retaken.

At the organizational meeting, the Board shall also perform such functions as setting dates and times of regular meetings, make its annual appointments and designations, and the like.
