STUDENT REPRESENTATION AT BOARD MEETINGS

441.2

The School Board acknowledges the important contributions students can make to the governance of the schools. The Board believes that student participation at Board meetings can provide a better understanding of the needs and concerns of students. The Board, therefore, welcomes one (1) student representative to the Board.

The representative shall:

- A. Be selected by a process established by the high school administration and the Student Council.
- B. Participate during the regular open meetings of the Board.

The student representative shall not vote on matters that come before the Board and/or participate in closed sessions of the Board.
