PARENT/GUARDIAN TRANSPORTATION-RELATED RESPONSIBILITIES **751(b)**

Parents/guardians can assist in the efficiency of operation of the transportation program by observing the following:

1. See that your children are at the designated bus stop on time. Please accompany children in kindergarten or younger to the bus stop, remain with them until picked up by the bus and be present when they are dropped off by the bus to accompany them home safely.
2. Do not expect drivers to make door-to-door pick ups of your children.
3. If you have a complaint concerning the bus service, the driver or anything pertaining to transportation, please first notify the Bus Company and then the building principal.
4. In case of inclement weather, tune in to the designated radio and television stations so you may be informed of school closings or delays. A School Instant Alert message will be sent to all parents when school is cancelled or delayed.
5. Because there may be emergencies such as a bus breakdown or accident, see that your children wear proper clothing for winter conditions, when appropriate.
